

T1 Race Development 1000cc Injectors

| Fuel Pressure<br>(psi) | Dead Time (ms) |          |          |          |          | Flow<br>cc / min |
|------------------------|----------------|----------|----------|----------|----------|------------------|
|                        | 8 volts        | 10 volts | 12 volts | 14 volts | 16 volts |                  |
| 40.0                   | 2.48           | 1.63     | 1.21     | 0.97     | 0.80     | 975              |
| 43.5                   | 2.60           | 1.67     | 1.24     | 0.98     | 0.81     | 1015             |
| 45.0                   | 2.65           | 1.68     | 1.29     | 0.99     | 0.80     | 1030             |
| 50.0                   | 2.83           | 1.74     | 1.36     | 1.02     | 0.81     | 1085             |
| 55.0                   | 3.00           | 1.81     | 1.40     | 1.05     | 0.82     | 1135             |
| 60.0                   | 3.18           | 1.87     | 1.38     | 1.08     | 0.84     | 1180             |
| 65.0                   | 3.36           | 1.95     | 1.30     | 1.10     | 0.88     | 1225             |
| 70.0                   | 3.53           | 2.04     | 1.20     | 1.12     | 0.92     | 1265             |
| 75.0                   |                | 2.14     | 1.13     | 1.15     | 0.97     | 1305             |
| 80.0                   |                | 2.27     | 1.11     | 1.19     | 1.02     | 1345             |
| 85.0                   |                | 2.42     | 1.19     | 1.24     | 1.06     | 1390             |
| 90.0                   |                | 2.60     | 1.36     | 1.30     | 1.09     | 1435             |
| 95.0                   |                | 2.79     | 1.57     | 1.36     | 1.12     | 1480             |
| 100.0                  |                | 2.98     | 1.82     | 1.43     | 1.15     | 1525             |

Note: Injectors Require Minimum 10v to run 75 psi and above!!!
